-----------------------------------	--	--	--	--

MISSION	The mission of The Free Medical Clinic of Greater Cleveland ("The Free Clinic") is to provide quality health care and related services free of charge to those who lack appropriate alternatives, and advocate for policy changes that make health care available to all.
SERVICES	Services provided include general and acute medical care, gynecological and family planning, STD diagnosis and treatment, diabetes treatment and hypertension treatment. These services are offered on a mixed appointment and walk-in schedule. HIV/AIDS Services encompass both treatment and prevention. The HIV Testing program (the first site in Cleveland to offer such services) includes prevention, education and treatment referrals in addition to testing. The Mental Health program provides outpatient counseling/therapeutic services to patients from a wide spectrum of our society. The Substance Abuse Treatment program provides intensive outpatient services, individual and group counseling and crisis intervention to clients in need. This program provides patients a safe and caring environment to cope with and recover from their addictions.

MISSION Planned Parenthood believes in the fundamental right of each individual, throughout the world, to manage his or her fertility, regardless of the individual's income, marital status, race, ethnicity, sexual orientation, age, national origin, or residence. We believe that respect and value for diversity in all aspects of our organization are essential to our well-being. We believe that reproductive self-determination must be voluntary and preserve the individual's right to privacy. We further believe that such self-determination will contribute to an enhancement of the quality of life, strong family relationships, and population stability.

SERVICES Planned Parenthood health centers offer high-quality sexual and reproductive health care, including family planning, gynecological care, STI/STD testing and treatment, pregnancy testing, and abortion services.

The YWCA USA is a women's membership movement nourished by its roots in the Christian faith and sustained by the richness of many beliefs and values. Strengthened by diversity, the YWCA draws together members who strive to create opportunities for women's growth, leadership, and power in order to attain a common vision: peace, justice, freedom, and dignity for all people. The YWCA will thrust its collective power toward the elimination of racism, wherever it exists, and by any means necessary.

SERVICES

YWCA offers: economic empowerment, racial justice, anti-violence, and leadership development programs; housing and shelter programs; youth and teen programs; child care and before and after school care; health and fitness programs
