

**Gilmore, Grover**

**Recent Grants**

*Therapeutic Effects of Cataract Removal in Alzheimer's Disease*

Principal Investigator

NIH-National Institute on Aging

\$2,314,618

2009 – 2014

*Cold Storage - A Discussion of Ethical Issues*

Project Director

Mt. Sinai Health Care Foundation

\$21,295

2007 – 2012

*Quantitative Image Quality for Optimization of MRI*

Co-Investigator

(David Wilson, Principal Investigator, School of Engineering, CWRU)

NIH-National Institute of Biomedical Imaging and Bioengineering

\$1,351,073 (MSASS Funding: \$62,675)

2005 – 2011

*Visual Interventions to Improve Alzheimer Cognition*

Principal Investigator

NIH-National Institute on Aging

\$2,122,581

2000 – 2010
